Re: Monthly Police Report for May 2010

During the month of April 2010 the La Pointe Police Department responded to the following:

- 18 Various Complaints
 - 1 Citizen Assist Request
 - 2 Before/After Duty Call Outs
 - 1 Non-Reportable Traffic Accident
 - 5 Animal Calls
 - 4 Parking Violations
 - 4 Vehicle Registration/Title Transfers
 - 3 Civil Process Served

I have submitted our 2009 DDOLUA grant reimbursement claim for equipment purchased. This process is done on the computer through the Department of Justice egrant program and I must say it tests the patience for those of us who have had no training in this area. I was reassured by the Bureau of Transportation Safety there will be funding available for 2010. As I reported last month, we will continue to participate in the mobilization programs with the possibility of securing additional funding being the incentive.

After discussing the Apostle Island In-line Skating event with the Ashland County Sheriff and Chief Deputy we scheduled a meeting with Mary McPhetridge. We met on May 4th and she brought us up to speed on what has been planned so far. We explained our concerns over traffic control, rerouting vehicles on the County Highway and overall safety issues. Being a first time event on the island, it is difficult to envision what needs or plans will be forgotten or overlooked, we made it clear that safety is always law enforcement's first priority so that is where we will be focusing our attention. We also asked that we be notified of any future meetings and/or changes in plans so we know what's going on.

Sincerely,

Michael Anderson
Police Chief
